From the Desk of Principal

Dear students,

Welcome to Behali Degree College, one of the finest colleges affiliated to Gauhati University and a premier institute in the Biswanath district. With the motto 'BLOOM AS A LOTUS', the broad philosophy of the college is to nurture today's youth and impart all round educational environment to students.

The college believes in multidimensional and progressive education and in overall personal development of the students. To cope with the current pandemic situation, the college has taken up appropriate measures. In regard to the new initiative of UGC to emphasis online education; regular online classes are being conducted.

The college now boasts of the inclusion of Science stream. There are 14 departments (Assamese, Botany, Chemistry, Economics, English, Education, History, Geography, Mathematics, Nepali, Philosophy, Political Science, Physics, Sanskrit and Zoology) with highly qualified and dedicated faculties in each department. Another positive aspect of the college was the provincialisation of the faculties from Arts Stream which in turn gives a better educational environment to the students. The college acknowledges the contribution and hard work of the faculties who provide the students with quality classes and help in co-curricular activities like debate, seminars, webinars, group discussions and cultural competitions. The faulty members are well trained through courses like Faculty Induction Programs, Short Term Courses; Webinars conducted by ICT Academy and other institutes across the country and are well equipped to provide online education. The college has developed an effective system of virtual supervisors to provide technical support to the students appearing in OTBE semester exams online. National Education Policy 2020 is going to bring substantial changes in the field of Higer Education. Behali Degree College is all set to embrace the changes that are going to be introduced as per the NEP 2020.

Behali Degree College believes in imparting holistic education. Best wishes to the students entering the college.

Dr. Jiban Chandra Nath

(M.A., M.Phil, Ph.D)

Principal

Behali Degree College

The College at a Glance

Behali Degree College, affiliated to Gauhati University was established in 1989 by some enthusiastic and active citizens of Behali. It now stands as a premier institute in the Biswanath district. The college is proud of its alumni who have carved their names in various educational and professional fields.

With the establishment of Science stream in 2020, the college now has number of highly qualified faculty members who are catering to over a thousand students. The college strongly believes the new students will be highly benefitted by its teaching staff. An active mentor-mentee system in which the students are attached to one faculty who acts as their mentor is used by the college for personal care of the students. The college also has dedicated non-teaching staff to efficiently carry out their respective works.

The college now has a new building with well furnished classrooms which are ready to be used in this upcoming academic session. The college also has a well built library with multiple books, journals and periodicals. In addition, to enrich the students with appropriate support, a new library building under the aegis of Ranjit Dutta, MLA, Behali will be constructed shortly. The NCC and NSS units of the college are highly active and facilitate interested students to engage in activities throughout the year.

The college is a member of N-List Care, an initiative of MHRD, with access to millions of e-resources that would provide conducive study materials in online mode. The college also provides support to students interested to use SWAYAM, an E learning platform initiated by MHRD, Govt. of India. Distance learning courses under IDOL, Gauhati University; Krishna Kanta Handique State Open University (KKHSOU); National Institute of Open Schooling (NIOS) are also available to the students.

Our Mottos:

- All round development of the students
- Preparing students for success
- Committed to excellence in Education
- Enabling students to face future challenges
- Imparting quality Education both in offline and online modes

EMBLEM :

The college emblem has a bright Sun in the innermost circle spreading its rays over a Swan above and a Lotus below and in between the motto of the college "BLOOM AS A LOTUS" is written. The college emblem symbolizes our journey towards excellence.

CBCS

Choice Based Credit System
Under Graduate Course for the session 2021-22

About Under Graduate CBCS...

The Undergraduate (UG) programme in the Choice Based Credit System (CBCS) is the course spread across six-semesters of any Under Graduate Course. The course will be of six semesters covering three calendar years (Academic session from June to May). The duration of **Odd** semesters (1st, 3rd and 5th) shall be **June-November**, and that of **Even** semesters (2nd, 4th and 6th) shall be **December - May**. The courses in Gauhati University (GU) - CBCS are categorised primarily into three types of courses - **Core, Elective and Ability/Skill Enhancement Courses**. All the core and elective courses will comprise of 6 credits and Ability / Skill courses are of 4 credits.

Core Course:

A Core Course is a necessary course that a student must take in order to complete the degree. The number of core courses for Honours and Regular degrees are different.

Elective Course:

An Elective Course is the one for which a student has some kind of freedom to choose from a pool of courses. There are two kinds of elective courses- Generic and Discipline specific. The Generic Courses are those which can be chosen by a student belonging to any stream, while the discipline specific elective courses are particular to only the discipline concerned.

Ability / Skill Enhancement Course:

An Ability or Skill Enhancement Course is aimed at providing the student with skill and ability. The Ability Enhancement Courses must be opted by a student and the student can choose papers from a pool of Skill Enhancement Courses. Students can also choose online course offered through the **Study Webs of Active Learning for Young Aspiring Minds (SWAYAM)** portal. <https://swayam.gov.in/>

Dissertation/Project:

A student can opt (Subject to conditions) a dissertation or a project work in-lieu of a 6 credits Discipline Specific Elective course in the Sixth Semester.

Credit:

A student needs to earn a required number of credits in order to successfully complete a degree. The credit is closely related to the number of stipulated classes a student has to complete. The following table indicates the number of credits a student can earn.

<u>Class</u>	<u>Duration</u>	<u>Credit</u>
1 Theory Class	1 Hour	1
1 Tutorial Class	1 Hour	1

College Library

Behali Degree College Library came into existence along with the foundation of the college in 1989. With a collection in excess of more than twelve thousand books, it is one of the best college libraries in the Biswanath district. The library has also developed E-journal facility through N-LIST, INFLIBNET. The library is partially computerized by maintaining book database with the use of SOUL 2.0 Software. Reading facilities are available in the library. The reading section is divided in two parts, one for students and another for teaching and non-teaching staff. To motivate the users the library provides “Best Library User Award” since 2018. This award is offered to one student in every year for best utilizing the library resources. Facility of Book Requisition Register is available in the library through which student can recommend their required books. In addition to all above the library has taken an initiative to motivate students towards book donation through Book Bank. The passed out students donate minimum two books to the Book Bank for the benefit of the students of the college.

DEPARTMENT OF BOTANY

Department Overview

The Department of Botany of Behali Degree College was established in the year 2020. The Department follows the syllabus of Gauhati University with CBCS marking procedure. The syllabus is divided into two portions viz. theory and practical as per the requirements so that the students can have a cumulative and clear concept on the subject expertise. The Department is well equipped with modern classroom and one laboratory with all the needed facilities right from its inception. At present the Department offers B.Sc. Botany Honours course.

The prime objective of the department is to create a study environment where interested students can do study and do research on botanical aspects. Its other long-term mission includes building a Botanical Garden, growing bio-fertilizer and collection of Tea germplasm in near future.

DEPARTMENT OF CHEMISTRY

Department Overview

Welcome to the Department of Chemistry of Behali Degree College (BDC). The department is newly established in December 2020 along with the Science at BDC. The teaching program in the department is the soul of BDC. Our priorities are to educate and train the next generation chemists. We are interested to provide strong foundation in chemistry and offer opportunities for students to study in top universities. We are strongly committed to the teaching program of our department in all aspects and strive to create a friendly environment for all.

Chemistry as a subject has considerable impact on our everyday lives. It is an integral part of natural science and is a corner-stone for the expansion of various branches of sciences. Research in the department will span a broad area of chemistry and their interdisciplinary interface, which, we believe will aid students in understanding the fundamentals of nature and to advance them through excellence.

Faculties in our department are highly motivated and are well experienced working in various national and international laboratories. Our experiences in teaching come from the UG & PG courses in University/ Institute level during our PhD period, and we are closely associated with the up-to-date curriculums. The department is ready to admit a maximum of 25 students in BSc 1st semester major course. Initial selection of BSc students to the department shall be made on the basis of marks. However, the candidates must have to qualify the entrance test organized by the department to pursue the honors program. In future, the department will collaborate with other disciplines/ centers to give exposure to our students through scientific programs.

DEPARTMENT OF MATHEMATICS

Department Overview

The Department of Mathematics of Behali Degree College was established in the year 2020, along with the other departments of Science. Teaching is the heart and soul of the department. The significance of the department is to spread knowledge about mathematics amongst the students.

The Department offers undergraduate program (Honours course) in Mathematics under the Choice Based Credit System, Gauhati University. The Department has significant emphasis on teaching with faculty member's expertise in various fields of Pure and Applied Mathematics. The department is ready to admit a maximum of 40 students in B.Sc. 1st semester Honors. Initial selection of B.Sc. students to the department shall be made on the basis of marks. However, the candidates must have to qualify the entrance test organized by the department to pursue the honors program. Apart from teaching, our goals include activities like organizing seminars, conferences, workshops, Mathematical quizzes etc.

DEPARTMENT OF PHYSICS

Department Overview

The Department of Physics, Behali Degree College is a newly established Department in the Year 2020 under the scheme to open Science Stream in various Colleges by the Government of Assam.

The Department of Physics goes with the vision to stand out and achieve a prominent status in learning Physics. The objective of the Department is to generate enthusiasm and curiosity among students and helping them in their ability to interpret problems with logical thinking and finding innovative solutions. With a dedicated and a highly qualified faculty, the Department is committed to the academic growth of the student; make them think to solve problem as well as their personal development. The Department Faculty members with specialization in different areas of Physics, having research experience with a good number of research publications both in National and International Journals to their credit brings diversity and unique teaching environment to the department. Furthermore, the Department is also emphasized adherence a friendly Teachers-Student relationship to provide essential support to the student for academic and social development.

DEPARTMENT OF ZOOLOGY

Department Overview

Founded in the year 2020, the Department of Zoology is one of the finest budding departments in the campus of Behali Degree College, Biswanath, affiliated to Gauhati University. Presently there are three full time faculties with good teaching experience and skills who are sincerely engaged in their classes and practical as well. The first batch of the department has already started their course curriculum from the year 2020. The department believes in imparting quality education to the students to build up their career as a professional. The department has all the necessary laboratory equipments required for the completion of three year undergraduate course. Newly passed H.S. students are whole heartedly welcomed to the Department.

The principal mission of the department is to train the young potential talents interested in science education and transform them into skilled graduates with biological science background in the region.
