From the Desk of Principal

Dear students,

Welcome to Behali Degree College, one of the finest colleges affiliated to Gauhati University and a premier institute in the Biswanath district. With the motto '*BLOOM AS A LOTUS*', the brood philosophy of the college is to nurture today's youth and impart all round educational environment to students.

The college believes in multidimensional and progressive education and in overall personal development of the students. The college now boosts of the inclusion of Science stream. There are 14 departments (Assamese, Botany, Chemistry, Economics, English, Education, History, Geography, Mathematics, Nepali, Philosophy, Political Science, Physics, Sanskrit and Zoology) with highly qualified and dedicated faculties in each department. The college acknowledges the contribution and hard work of the faculties who provide the students with quality classes and help in co-curricular activities like debate, seminars, webinars, group discussions and culture competitions. The faculty members are well trained through courses like Faculty Induction Programs, Short Term Courses; Webinars conducted by ICT Academy and other institutes across the country and are well equipped to provide quality education. National Education Policy 2020 is going to bring substantial changes in the field of Higher Education. Behali Degree College is all set to embrace the changes that are going to be implemented as per the NEP 2020.

Behali Degree College believes in imparting holistic. Best wishes to the students entering the college.

Dr. Jiban Chandra Nath

Behali Degree College

The College at a Glance

Behali Degree College, affiliated to Gauhati University was established in 1989 by some enthusiastic and active citizens of Behali. It now stands as a premier institute in the Biswanath district. The college is proud of its alumni who have carved their names in various educational and professional fields.

With the establishment of Science stream in 2020, the college now has number of highly qualified faculty members who are catering to over a thousand students. The college strongly believes the new students will be highly benefitted by its teaching staff. An active mentor-mentee system in which the students are attached to one faculty who acts as their mentor is used by the college for personal care of the students. The college also has dedicated non-teaching staff to efficiently carry out their respective works.

The college now has a new building with well furnished classrooms which are ready to be used in this upcoming academic session. The college provides library facilities like textbooks, reference books, journals, and periodicals etc. In addition, to enrich the students with digital library facilities, a new library building under the aegis of Ranjit Dutta, MLA, Behali is under construction. The NCC and NSS units of the college are highly active and facilitate interested students to engage in activities throughout the year.

The college is a member of N-List Care, an initiative of MHRD, with access to millions of e-resources that would provide conducive study materials in online mode. The college also provides support to students interested to use SWAYAM, an E learning platform initiated by MHRD, Govt. of India. Distance learning courses under IDOL, Gauhati University; Krishna Kanta Handique State Open University (KKHSOU); National Institute of Open Schooling (NIOS) are also available to the students.

Our Mottos:

- ❖ All round development of the students
- ❖ Preparing students for success
- ❖ Committed to excellence in Education
- ❖ Enabling students to face future challenges
- ❖ Imparting quality Education both in offline and online modes

Emblem:

The college emblem has a bright Sun in the innermost circle spreading its rays over a Swan above and a Lotus bellow and in between the motto of the college “BLOOM AS A LOTUS” is written. The college emblem symbolizes our journey towards excellence.

College Library

Behali Degree College Library came into existence along with the foundation of the college in 1989. With a collection in excess of more than thirteen thousand books, it is one of the best college libraries in the Biswanath district. The library has also developed E-journal facility through N-LIST, INFLIBNET. The library is computerized by maintaining book database with the use of SOUL 2.0 Software. Reading facilities are available in the library. The reading section is divided in two parts, one for students and another for teaching and non-teaching staff. To motivate the users the library provides “Best Library User Award” since 2018. This award is offered to one student in every year for best utilizing the library resources. Facility of Book Requisition Register is available in the library through which student can recommend their required books. In addition to all above the library has taken an initiative to motivate students towards book donation through Book Bank. DEPARTMENT OF BOTANY

Overview

The Department of Botany of Behali Degree College was established in the year 2020. The Department follows the syllabus of Gauhati University with CBCS marking procedure. The syllabus is divided into two portions viz. theory and practical as per the requirements so that the students can have a cumulative and clear concept on the subject expertise. The Department is well equipped with modern classroom and one laboratory with all the needed facilities right from its inception. At present the Department offers B.Sc. Botany Honors course.

The prime objective of the department is to create a study environment where interested students can do study and do research on botanical aspects. Its other long-term mission includes building a Botanical Garden, growing bio-fertilizer and collection of Tea germplasm in near future.

DEPARTMENT OF CHEMISTRY

Overview

Welcome to the Department of Chemistry of Behali Degree College (BDC). The teaching program in the department is the soul of BDC. Our priorities are to educate and train the next generation chemists. We are interested to provide strong foundation in chemistry and offer opportunities for students to study in top universities. We are strongly committed to the teaching program of our department in all aspects and strive to create a friendly environment for all.

Faculties in our department are highly motivated and are well experienced working in various national and international laboratories. Our experiences in teaching come from the UG & PG courses in University/ Institute level during our PhD period, and we are closely associated with the up-to-date curriculums. The department is ready to admit a maximum of 20 students in BSc 1st semester major course. Initial selection of BSc students to the department shall be made on the basis of marks. In future, the department will collaborate with other disciplines/ centers to give exposure to our students through scientific programs.

DEPARTMENT OF MATHEMATICS

Overview

The Department of Mathematics of Behali Degree College was established in the year 2020, along with the other departments of Science. Teaching is the heart and soul of the department. The significance of the department is to spread knowledge about mathematics amongst the students.

The Department offers undergraduate program (Honours course) in Mathematics under the Choice Based Credit System, Gauhati University. The Department has significant emphasis on teaching with faculty member's expertise in various fields of Pure and Applied Mathematics. The department is ready to admit a maximum of 25 students in B.Sc. 1st semester honors. Initial selection of B.Sc. students to the department shall be made on the basis of marks. However, the candidates must have to qualify the entrance test organized by the department to pursue the honors program. Apart from teaching, our goals include activities like organizing seminars, conferences, workshops, Mathematical quizzes etc.

DEPARTMENT OF PHYSICS

Overview

The Department of Physics, Behali Degree College is a newly established Department in the Year 2020 under the scheme to open Science Stream in various Colleges by the Government of Assam.

The Department of Physics goes with the vision to stand out and achieve a prominent status in learning Physics. The objective of the Department is to generate enthusiasm and curiosity among students and helping them in their ability to interpret problems with logical thinking and finding innovative solutions. With a dedicated and a highly qualified faculty, the Department is committed to the academic growth of the student; make them think to solve problem as well as their personal development. The Department Faculty members with specialization in different areas of Physics, having research experience with a good number of research publications both in National and International Journals to their credit brings diversity and unique teaching environment to the department. Furthermore, the Department is also emphasized adherence a friendly Teachers-Student relationship to provide essential support to the student for academic and social development.

DEPARTMENT OF ZOOLOGY

Overview

Founded in the year 2020, the Department of Zoology is one of the finest budding departments in the campus of Behali Degree College, Biswanath, affiliated to Gauhati University. Presently there are three full time faculties with good teaching experience and skills who are sincerely engaged in their classes and practical as well. The first batch of the department has already started their course curriculum from the year 2020. The department believes in imparting quality education to the students to build up their career as a professional. The department has all the necessary laboratory equipments required for the completion of three year undergraduate course. Newly passed H.S. students are whole heartedly welcomed to the Department.

The principal mission of the department is to train the young potential talents interested in science education and transform them into skilled graduates with biological science background in the region.
